

# SECRETARY'S REPORT FOR 2025

## MEMBERSHIP

This year has been a very good year for getting members to join and accommodating them, we added a new class to the second session to allow for more. We will monitor closely throughout 2026.

Our young volunteers have been outstanding with their dedication, they are made up of - Oliver Karlsson - Charlotte Maguire - Jack Maguire - Laurence Seward - Noah Karlsson - Veer Patel and Charlotte Ji. We as a club could not carry on without them. At the end of the year, we gave them each a £15 voucher, for there outstanding contribution.

Congratulations to Ella Cheung for passing her Level 1 in the summer and has taken over Class 2 widths from Elliot.

Our other instructors are made up of: Karen Hay - Dave Cordle - Paul Greer - Noah Cartwright and special mention to Oliver Karlsson who has been teaching Class 3 widths with Dave guiding him.

## WEBSITE

The website address is [www.cawpra.org.uk](http://www.cawpra.org.uk) . Paul Greer controls and manages all information.

## GALA

Our Gala this year was held in June, it was a great success with nearly everyone participating and doing their very best.

## FINALLY

After many many years (30+) as Club Treasurer, Neil Messenbird has retired from this role and will leave at the AGM in March 2026. Paul Greer has kindly stepped in to take on this role.

We have had to also say farewell to Elliot Cordle who has now gone to University, but his time has been invaluable to us, a big thank you from us all at Cawpra, and hope you pop in to see us occasionally.

During the year the Pool management, told us that after being allowed to use their equipment, we were no longer allowed, we asked all members to bring in their own float, and the younger ones to bring in a noodle. I do have some equipment that I bring each Sunday to help if a member forgets theirs.
